## Printed Patient Literature & Displays

Patient brochures educate about hormones and how testing can help detect imbalances linked to specific symptoms and health problems. Each has a corresponding insert that slides into our 8.5 x 11 acrylic display with brochure pocket. (PLEASE CHOOSE ONLY TWO)

## Online Education Resources

Don't forget to visit our library of online resources at [www.zrtlab.com/resources/](http://www.zrtlab.com/resources/) where you'll find patient handouts, symptom checklists and sample collection instructions for download.
